Lieberman Technologies LLC, Contractor for the Delaware County Sheriff Sales, will, in most cases, provide the ad copy to The Star Press. The Star Press will compute the rates based on the data in the ad supplied by Lieberman. The Star Press will then notify Lieberman of the rates. Lieberman will email those rates to all attorneys and staff who have given Lieberman their email addresses. It is the attorneys' responsibility to make timely payments to The Star Press. If payment is not made, The Star Press might not run the ad. If the ad is not run, the sale will not be held.
